Dear Friends of Curtain Call Theatre:

As the Covid 19 situation continues to evolve, we regret to inform our subscribers and supporters that Curtain Call Theatre must cancel the remainder of its current season. Still, we remain optimistic that we shall be able to welcome everyone back in the fall with a new roster of productions that will include this season’s postponed shows.

Our hope is that those patrons and supporters who can afford to do so will consider the tickets that they have purchased for shows we have been unable to mount as a donation to the theatre. Such a generous gesture will help ensure that Curtain Call remains a thriving part of the community.

Here is the prospective schedule for 2020-2021.
